STANDARD TEXTBOOK CONTRACT
ATTACHMENT A, Additional Requirements

- A1. The Contractor certifies that the textbook unit price appearing in the contract is the lowest wholesale price at which the book or books are currently bid under contract anywhere in the United States or that the price to be charged has been reduced and is the same price as sold anywhere outside of Virginia. The publisher shall, when applicable, offer FCSB the option of using any special or other edition of a textbook named in the contract and adapted for use in Virginia at a lower price as sold elsewhere in the United States. As applicable, in the event the reduced price is permanent the Contractor further agrees to notify the Virginia Department of Education to update its website with the new price.
- A2. The Contractor shall furnish sample copies of all books listed herein to FCSB and all textbooks furnished by the Contractor shall in all respects as to texts, paper, binding, printing, illustrations, copyright date, and in all other particulars be equal to the same copy purchased by FCSB. Changes may be made in the textbook(s) if mutually agreed to by the FCSB and Contractor.
- A3. When available, Contractor shall provide hands-on training on FCSB premises, initially for all staff and in subsequent years for new staff. Contractor shall identify and include any and all associated costs for training as an addendum to Attachment B, Textbook Pricing.
- A4. The Contractor shall replace any textbooks adopted for use and received from the Contractor, proven to have weak or defective bindings within the adoption period for which they were purchased.
- A5. The Contractor shall, for each textbook ordered, furnish an electronic file in the National Instructional Materials Accessibility Standards (NIMAS) format that will be deposited in the National Instructional Materials Access Center (NIMAC) from which accessible versions of the particular textbook may be produced for students with print disabilities. The Contractor shall deliver the NIMAS file of the textbook on or before the date of delivery of the regular text version.
- A6. SHIPPING INSTRUCTIONS: FCSB does not have central warehousing with loading docks and unloading equipment; only one or two select schools have loading docks. Therefore, Contractors shall instruct their freight carrier to provide shipments to FCSB locations with vehicles having lift gates and pallet jacks, for unloading of shipments at each location. All deliveries must be inside deliveries; no shipment will be accepted if it's left outside of an FCPS building. - A7. ASSIGNMENT OF CONTRACT: A contract shall not be assignable by the Contractor in whole or in part without the written consent of the FCSB. In the event of Contractor change in ownership, the Contractor shall notify FCSB in writing at least thirty days in advance of such change and indicating if the new owner will assume ownership and full compliance with the contract, at which time FCSB will modify the contract to reflect the change in ownership.

(Code of Virginia, §2.2-4343.1(E)). In every contract over \$10,000 the provisions in A and B below apply:
 A. During the performance of this contract, the Contractor agrees as follows:
 1. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 2. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.
 3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this Section.
 B. The Contractor will include the provisions of A. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

- A16. **CONTENT VALIDITY:** By signing this contract, Contractor hereby verifies that all materials provided have been thoroughly examined and reviewed by content experts, whose credentials were verified prior to contract signature, for factual

and content accuracy, typographical, grammatical, spelling, formatting and written expression errors, and that all such errors have been corrected prior to publication.

- A17. **CUSTOMER SERVICE:** To ensure continual service during the entire term of the contract, the Contractor must provide the name, phone, fax and e-mail address of the inside contact person who has the authority and knowledge to answer contractual questions or issues both during the initial adoption period and for the entire contract term. Should that person leave the Contractor's employ or be replaced by another person, the Contractor must promptly notify the FCSB Textbook Office in writing of the new customer service representative's name, phone, fax and e-mail. If multiple customer service representatives are assigned, the Contractor must note each representative's area of expertise (for example, Ordering vs. Billing and Invoicing). If the Contractor Sales Representative should change during the term of this contract, the Contractor must notify the FCSB Textbook Office in writing of the new Sales Representative's name, phone, fax and e-mail and effective date as our representative.
- A18. **CONTRACT MODIFICATIONS:** During the term of this contract, if supplemental materials, additions or deletions are required at the request of FCSB, the Contractor shall review and sign a mutually agreeable contract modification, to be co-signed by FCSB and added to this original contract.
