STANDARD TEXTBOOK CONTRACT
ATTACHMENT A, Additional Requirements

- A1. The Contractor certifies that the textbook unit price appearing in the contract is the lowest wholesale price at which the book or books are currently bid under contract anywhere in the United States or that the price to be charged has been reduced and is the same price as sold anywhere outside of Virginia. The publisher shall, when applicable, offer FCSB the option of using any special or other edition of a textbook named in the contract and adapted for use in Virginia at a lower price as sold elsewhere in the United States. As applicable, in the event the reduced price is permanent the Contractor further agrees to notify the Virginia Department of Education to update its website with the new price.
- A2. The Contractor shall furnish sample copies of all books listed herein to FCSB and all textbooks furnished by the Contractor shall in all respects as to texts, paper, binding, printing, illustrations, copyright date, and in all other particulars be equal to the same copy purchased by FCSB. Changes may be made in the textbook(s) if mutually agreed to by the FCSB and Contractor.
- A3. When available, Contractor shall provide hands-on training on FCSB premises, initially for all staff and in subsequent years for new staff. Contractor shall identify and include any and all associated costs for training as an addendum to Attachment B, Textbook Pricing.

Therefore, Contractors shall instruct their freight carrier to provide shipments to FCSB locations with vehicles having lift gates and pallet jacks, for unloading of shipments at each location. All deliveries must be inside deliveries; no shipment will be accepted if it's left out on a school sidewalk. - A7. ASSIGNMENT OF CONTRACT: A contract shall not be assignable by the Contractor in whole or in part without the written consent of the FCSB.
