## INSTRUCTIONS

1. **Requesting Services:** The Owner (FCG&PS Using Departments) will use the Heavy Equipment and Related Services Proposal Sheet (CPS), **see Page 6**, to notify Contractor(s) of requirements on an as-needed basis. As noted on the CPS, the Owner will indicate the scope of services required and the time limit for the project. The Contractor(s) shall meet with the Owner Project Manager(s) within twenty-four (24) hours after notification to discuss and review requirements for any excavating and/or hauling project, only if further clarification is needed. The Contractor(s) shall respond to any Owner request within the time specified, regardless of the size and dollar value of the project. The Contractor(s) shall forward their written proposal for the project in the area provided on the CPS, based on the contract pricing, within three (3) days of receipt of the CPS. Written proposals shall specify each major step or phase of the work to be performed and include a written detailed estimate of the costs to complete the project, including labor, materials if requested, and a forecast date of completion, expressed either as a definite date or the number of days after notification to proceed with the work.
2. **Orders:** All FCG&PS Using Departments must order services listed by issuing FCG&PS Purchase Orders per FCG&PS Procurement Procedures Manual. An extra copy of the Procedures Manual can be obtained by calling Procurement at (540) 428-8717 or 8720. The applicable contract number, vendor number, estimated total dollar amount (can be done as a "Not to exceed" estimated figure), contact person with phone number, and billing/delivery address must be shown on each purchase order for Finance & Contractor use.
3. Inspection of services and approval of contractor's invoice is the responsibility of the receiving using department.
4. Any complaint as to quality of services, faulty or delinquent performance, or violation of contract provisions by contractor shall be reported to FCG&PS Procurement for handling with the Contractor. All complaints must be submitted in writing and can be forwarded to Procurement via fax or courier.
5. **Renewals:** Three (3) additional one-year periods remain. If Owner elects to exercise an option period written notice will be provided to the Contractor approximately ninety (90) days from expiration.
6. **Contract Prices:** The firm, fixed pricing stated in Section I includes the services, an operator where indicated, and equipment as specified in the contract documents. The firm, fixed pricing stated in Section II includes equipment and a qualified operator, at the rates specified for the time required.
