Revised
Memorandum of Negotiation
RFP64-16KS
Airport Planning, Consulting and Engineering Svcs.

Fauquier County (hereinafter called the County) and Delta Airport Consultants, Inc. (hereinafter called the Contractor) hereby agree to the following provisions as related to the above referenced RFP issued June 2, 2016 and negotiated in writing on August 2, 2016. These provisions will be incorporated into and become part of the final associated contract for RFP64-16KS.

Request:

1. In review of your provider rates we have noticed that the rate charged for Principal and Project Manager is on average 25 to 30% higher than other contracted providers for Consultant/Engineering services. Please review this cost and consider adjusting it to a more amenable rate.

Accepted Response:

1. Negotiation of Principal and Project Manager Rates.....The majority of Delta's billable work is for project work funded by the FAA's Airport Improvement Program. Our Principal and Project Manager Rates have been set based on our staff's salaries, and our company's audited overhead rate. If it is the County's desire to mitigate the impact of our Principal and Project Manager rates, we would suggest the negotiation process described by the FAA in their Advisory Circular 150/5100-14E, Architectural, Engineering, and Planning Consultant Services for Airport Grant Projects (copy of the negotiation process is attached). The negotiation procedure occurs on a project by project basis, and occurs after a project scope is defined, and an independent fee review has been performed for the Airport Owner. Under this process, we would negotiate tasks, hours, and category of personnel assigned to tasks in order to arrive at a mutually agreeable total consulting engineering fee.

Request:

2. Clarification that expenses such as printing, postage, shipping, plotting, copying, telephone charges, airline, rental car, charter, bid advertisements, meals, lodging etc. (short term) and miscellaneous expensed will be charged at actual cost with no markup applied.

Accepted Response:

2. We concur that expenses such as printing, postage, shipping, plotting, copying, telephone charges, airline, rental car, charter, bid advertisement, meals, lodging, and other miscellaneous expenses will be charged at actual cost with no markup applied

Request:

3. Automobile, Aircraft and Per Diem, when absolutely-necessary, contractor shall adhere to the Fauquier County Policy for travel, we are not a Federal Government entity.

Accepted Response:

3. We would concur with automobile, aircraft and per diem expenses as follows:
- Mileage at the current standard mileage rate as determined by the Internal Revenue Service.
 - Meals at the current government daily per diem rate as set by the General Services Administration (the GSA website shows that \$59 is the current daily rate for meals and incidental expenses in Warrenton-Fauquier).
 - Lodging at the current government daily per diem rate as set by the General Services Administration (the GSA website shows that \$98 is the current daily rate for lodging in Warrenton-Fauquier).

Request:

4. Subcontractors Mark ups shall be based on case by case basis and the complexity of the task order requested up to but not to exceed 8%.

Accepted Response:

4. We concur that subcontractor mark ups shall be based on a case by case basis and the complexity of the task order requested up to but not to exceed 8%.

Request:

5. I will ask that the increase (billing rate and Salaries) be the CPI or capped not to exceed 3% whichever is higher for the annual term requesting the increase.

Accepted Response:

5. Our review of labor rate increases versus the CPI, as well as our own experience, indicates that labor rates in general are currently expanding at a rate in excess of the CPI. We will agree to cap our rate increases at 3% per year. Alternately, Owner may chose, if deemed necessary, to negotiate labor rates with each contract renewal. The Consultant will submit audited labor rates that are in effect at the time of the contract renewal, along with other required documentation as requested.

Request:

6. Indemnification Language: We have consulted with our County Attorney and the alternate language that you have provided for indemnification below is acceptable.

"Pursuant to the terms and conditions of this Agreement, and to the fullest extent permitted by law, the Consultant agrees to hold harmless and indemnify the County and its employees, its successors and assigns from and against any and all liabilities, damages, costs and expenses, including reasonable attorneys' fees, whether arising in law or in equity, in tort or in contract, to the extent caused by the Consultant's, its employees', agents' and subconsultants' negligent errors, omissions, failure to perform or other intentional improper acts in the performance of services pursuant to this Agreement, except to the extent caused by the sole negligence or willful misconduct of the County."

Accepted Response:

6. The revised indemnification language is acceptable to Delta.

The following **Required Contract Provisions for Airport Improvement Program and for Obligated Sponsors** language omitted from the RFP shall be included hereto and become part of the final contract document as required by the FAA.

Owner further agrees to hold Consultant harmless for errors or omissions in documents that are incomplete as a result of the termination action under this clause.
