The Contractor shall collect, load, sort, and market empty, partially full, and full tanks and cylinders for recycling with the following conditions:

- A. The Contractor's trucks, trailers, or containers shall be easily identifiable with Contractor's name and/or license number. Pick up shall be from the Corral Farm Waste Management Facility (WMF), 8499 Bingham Road, Warrenton VA 20187.
- B. The Contractor shall be responsible for the removal of all designated tanks and cylinders on an as needed or scheduled basis.
- C. The Contractor shall accept all designated tanks and cylinders.
- D. At a minimum, the Contractor or its collection agent(s) shall provide for the collection, storage, and transportation of tanks and cylinders from the Corral Farm WMF. Collection shall be on a scheduled or need basis. If on an as needed basis, the Contractor shall respond within three (3) business days.
- E. The Contractor shall comply with all Federal, State, County, and Local statutes, ordinances, and regulations applicable.
- F. The Contractor shall demonstrate prior satisfactory experience in removal, hauling, and marketing tanks and cylinders.
- G. The Corral Farm WMF scales shall be used to weigh all incoming and outgoing vehicles, containers, materials and generated tickets shall be used to calculate tonnage for billing purposes.
- H. The Contractor shall remove tanks and cylinders per specifications between 8:00 a.m. and 2:00 p.m., Monday through Friday, from the Corral Farm WMF.
- I. Contractor shall secure and cover loads before leaving the Corral Farm WMF.
- J. Contractor shall not separate or sort tanks or cylinders at the Corral Farm WMF.
- K. Contractor shall verify count or count tanks and cylinders prior to leaving the Corral Farm WMF.
- L. In addition to the conditions of Breach of Contract in the General Terms and Conditions of Bid and Contract, the Contractor shall also be in breach of contract if the Contractor:
 - a. is found delivering tanks or cylinders to a solid waste disposal facility; or
 - b. "skims", "light weights" or otherwise diverts or withholds credits of or "adds", "heavy weights" or otherwise deflates or increased weights or counts or falsifies weights or weight slips or invoices of collected recyclables.
- M. Contractor shall identify all gases or liquids that are unacceptable, and determine if these materials are contained in tanks and cylinders before removing from the Corral Farm WMF.
 - N. Contractor invoices will include documentation demonstrating proper handling and disposal of tanks and cylinders and contents.
