Consistent and continued tie bidding could cause rejection of bids by the Purchasing Agent and/or investigation for antitrust violations.
- 3.5 **Immigration Reform and Control Act of 1986:** The Consultant certifies that they do not and will not during the performance of this contract employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986.

In every contract over \$10,000 the provisions in A and B below apply:

A. During the performance of this contract, the Consultant agrees as follows:

1. The Consultant will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Consultant. The Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

2. The Consultant, in all solicitations or advertisements for employees placed by or on behalf of the Consultant, will state that such Consultant is an equal opportunity employer.

3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this Section.

3.7 **Assignment of Contract:** A contract shall not be assignable by the Consultant in whole or in part without the written consent of the Procurement Manager.

3.8 **Changes to the Contract:** Changes can be made to the contract in any of the following ways:

A. The parties may agree to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract. All modifications to this contract shall be made in writing.

B. The Owner may order changes within the general scope of the contract at any time by written notice to the Consultant. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Consultant shall comply with the notice upon receipt. The Consultant shall be compensated for any additional costs incurred as the result of such order and shall give the Owner a credit for any savings. Said compensation shall be determined by one of the following methods:

1. By mutual agreement between the parties in writing; or

2. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the Consultant accounts for the number of units of work performed, subject to the Owner's right to audit the Consultant's records and/or determine the correct number of units independently; or

3. By ordering the Consultant to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The Consultant shall present the Owner with all vouchers and records of expenses incurred and savings realized. The Owner shall have the right to audit the records of the Consultant as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Owner within thirty (30) days from the date of receipt of the written order from the Owner. If the parties fail to agree on an amount of adjustment, the questions of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for relieving disputes provided by the Disputes Clause of this contract. Neither the existence of a claim nor a dispute

resolution process, litigation or any other provision of this contract shall excuse the Consultant from promptly complying with the changes ordered by the Owner or with the performance of the contract generally.

- 3.9 **Default:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Owner, after due oral or written notice, may procure them from other sources and hold the Consultant responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies, which the Owner may have.

Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amount agreed due in the final payment. A written decision upon any such claims will be made by the School Board within sixty (60) days after submittal of the claim. The Consultant may not institute legal action prior to receipt of the School Board decision on the claim unless the applicable party fails to render such decision within sixty (60) days. The decision of the School Board shall be final and conclusive unless the Consultant within six (6) months of the date of the final decision on a claim, initiates legal action as provided in Section 2.2-4364 of the Code of Virginia. Failure of the School Board to render a decision within sixty (60) days shall not result in the Consultant being awarded the relief claimed nor shall it result in any other relief or penalty. Should the School Board fail to render a decision within sixty (60) days after submittal of the claim, the Consultant may institute legal action within six (6) months after such 60-day period shall have expired, or the claim shall be deemed finally resolved. No administrative appeals procedure pursuant to Section 2.2-4365 of the Code of Virginia has been established for contractual claims under this contract.
- 3.11 **Protection of Persons and Property:**
- 3.11.1 Consultant shall take every precaution at all times for the protection of persons and property, including Owner employees and property and its own. The Consultant shall take all necessary precautions for the safety of employees and shall comply with all applicable provisions of local safety laws, ordinances, and building codes to prevent accidents or injury to persons on, about or adjacent to the premises. - 3.11.2 Precaution shall be exercised at all times for the protection of person, including both employees of the Consultant and Owner's representatives, and property, belonging to both Consultant and Owner. The Consultant shall be responsible for any and all damage to Owner's property or equipment caused by Consultant performance; conversely, to extent permitted by law, the Owner shall be responsible for any and all damage to Consultant's property resulting from inappropriate usage of Consultant's facilities.
- 3.12 **Audit:** The Consultant agrees to retain all books, records and other documents relative to this contract for five (5) years after final payment, or until audited. The Owner, its authorized agents and/or auditors shall have full access to and the right to examine any of said materials during said period.

During the period of the contract, the Owner reserves the right to require the Consultant to furnish certificates of insurance for the coverage required.

- 3.14 **Termination:** Subject to the provisions below, the contract may be terminated by the Owner upon thirty (30) days advance written notice to the other party; but if services hereunder are in progress, but not completed as of the date of termination, then this contract may be extended upon written approval of the Owner and until said services are completed and accepted.
- 3.14.1 **Termination for Convenience:** In the event that the contract is terminated or canceled upon request and for the convenience of the Owner, without the required thirty (30) days advance notice, then the Owner shall be responsible for payment of services up to the termination date.
- 3.14.2 **Termination for Cause:** Termination by the Owner for cause, default or negligence on the part of the Consultant shall be excluded from the foregoing provision; termination costs, if any shall not apply. The thirty (30) days advance notice requirement is waived in the event of Termination for Cause.
- 3.14.3 **Termination Due to Unavailability of Funds in Succeeding Fiscal Years:** When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, the contract shall be canceled and, to the extent funds have been budgeted and appropriated, the Consultant may be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the services delivered under the contract.
- 3.15 **Indemnification:** Consultant shall indemnify, keep and save harmless the Owner, its agents, officials, employees and volunteers against claims of injuries, death, damage to property, patent claims, suits, liabilities, judgments, cost and expenses which may otherwise accrue against the Owner in consequence of the granting of a contract or which may otherwise result therefrom, if it shall be determined that the act was caused through negligence or error, or omission of the Consultant or his or her employees, or that of the Sub Consultant or his or her employees, if any; and the Consultant shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith; and if any judgment shall be rendered against the Owner in any such action, the Consultant shall, at his or her own expenses, satisfy and discharge the same. Consultant expressly understands and agrees that any performance bond or insurance protection required by this contract, or otherwise provided by the Consultant, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Owner as herein provided.
- 3.16 **Drug-Free Workplace:** During the performance of this contract, the Consultant agrees to (i) provide a drug-free workplace for the Consultant's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Consultant's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Consultant that the Consultant maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each Sub Consultant or vendor.
