Subject: BID Quote for 2016-2017

Attached you will find the BID quotes from 5 vendors. When you place your order, you will have the luxury of using the group price for your individual school. Please be sure to include the **BID QUOTE NUMBER ON ALL CORRESPONDENCE** to the vendor. Also advise the vendor to **BILL YOUR SCHOOL DIRECTLY.** I do not have funding to pay your bill!!! Also if you are ordering from MOORE Medical, please note we have the name of Bonnie Irish to have all our orders sent to so we do not experience the problems some of you had this school year. The vendors are charging NO **FREIGHT** which is a huge savings. This must be noted on the Purchase Order. Remember to check with your school secretary on the proper procedure for ordering at your individual school. Yes, you can choose whichever vendor you prefer! If you find something you need that is not on the list, we can get it added. Never pay the price quoted in the catalogs. We can get a discount. Please call me if you have any questions.

Subject: Quote for School Health Supplies for 2016-2017 School Year

Thank you very much for agreeing to submit a BID quote giving FCPS the group price for each individual school for the 2016-2017 school year. Each of my 21 schools will order their own supplies taking advantage of the group quote for their individual school. Each school will be billed individually for their specific order. I have attached a list of our schools with their addresses. Would you kindly send each school one of your current catalogs? Please make your BID quote effective for the entire 2016-2017 school year with payment terms of NET 45. Also, please include FREE shipping with your BID quote.

Please return your quote to me NO LATER than April 20, 2016. Thank you very much for your assistance. If you have any questions, please do not hesitate to call me at 540-422-7107 or fax 540-422-7136. My email is ptrude@fcps1.org.
