United States FedEx Ground Economy

The following pricing applies to the individual FedEx accounts associated with the Customer as follows 1009849702 (Country ID), 1009849703 (Country ID), 1009849704 (Country ID), 1009849706 (Country ID), 1009849707 (Country ID), 1009849708 (Country ID)

Discounts and/or net rates, if any, do not apply to fuel surcharges, duties and taxes, special handling fees, surcharges, ancillary or other charges (the amounts of applicable special handling fees, surcharge, ancillary and other charges shall be, unless otherwise noted herein, the published amounts for such fees/charges in effect on the date of shipment).

For Services receiving a percentage off, discounts are based on the published FedEx Ground Economy base rates that can be found at <https://www.fedex.com/en-us/shipping/ground/economy/rate-zones-guide.html>. For Services on net rates, if any, the below net rate tables supersede the published base rate. In addition, any fraction of weight is rounded up to the next higher weight break as per the applied base rates.

The following pricing for FedEx Ground Economy supersedes all prior FedEx Ground Economy pricing for individual FedEx accounts associated with the Customer identified above.

The incentives relating to the same FedEx Ground Economy services are additive and are applied to the Base Transportation Charges identified in the table below and are not applied to special handling fees, surcharges, ancillary or other surcharges. The rate structure set out herein is exclusive of any changes in the rates by the U.S. Postal Service (USPS), any other postal authority, any Postal Mail class definition changes or modification or any other increases in charges or costs in the services to FedEx Ground Economy outside of its control, including but not limited to fuel surcharge.

Pricing Terms. Unless otherwise noted, the following term table is applicable to all services in United States. In the event that FedEx increases its applicable base rate during the term of the Agreement, Customer's rates shall be adjusted to reflect the base rate increases.

Any Surcharge Modifications listed are based on the published fees and other charges that can be found at fedex.com.

Any Surcharge Modifications are only applicable at the specific Customer Level ID in this section, any Surcharge Modifications listed in a separate Agreement, Attachment, Addendum, or Amendment are retained, unless otherwise stated herein.

If any Surcharge Modifications are listed in this section the specified Surcharge Modifications shall be applicable for the individual accounts linked to the Customer Level ID in this section, regardless of any Surcharge Modifications in separate Agreements, Attachments, Addenda, or Amendments.

Notwithstanding, the Surcharge Modifications in the below table(s) do not apply to any individual accounts linked to the Customer Level ID in this section with Surcharge Modifications only applicable at a specific lower Customer Level ID in a separate Agreement, Attachment, Addendum, or Amendment.
