GENERAL TERMS, CONDITIONS AND INSTRUCTIONS TO BIDDERS/OFFERORS

Revised 08/05/2021

Vendor: These general rules and conditions shall apply to all purchases and be a part of each solicitation and every contract awarded by the Procurement Division, unless otherwise specified. The Procurement Division is responsible for the purchasing activity of Fauquier County, which is comprised of the Fauquier County Board of Supervisors, a body politic and political subdivision of the Commonwealth of Virginia, and the Constitutional Officers of Fauquier County, Virginia, and the Fauquier County School Board, a body corporate. The term "Owner" as used herein refers to the contracting entity which is the signatory on the contract and may be either Fauquier County or the Fauquier County School Board, or both. Bidder/Offeror or their authorized representatives are expected to inform themselves fully as to the conditions, requirements, and specifications before submitting bids/proposals: failure to do so will be at the bidder's/Offeror's own risk and except as provided by law, relief cannot be secured on the plea of error.

Subject to all Federal, State and local laws, policies, resolutions, regulations, rules, limitations and legislation, bids/proposals on all solicitations issued by the Procurement Division will bind bidders/Offerors to applicable conditions and requirements herein set forth unless otherwise specified in the solicitation.

1. **AUTHORITY**-Except as delegated in the Procurement Procedures Manual, the Purchasing Agent has the sole responsibility and authority for negotiating, placing and when necessary modifying every solicitation, contract and purchase order issued by the Owner. In the discharge of these responsibilities, the Purchasing Agent may be assisted by assigned buyers. Unless specifically delegated by the Purchasing Agent, no other Owner officer or employee is authorized to order supplies or services, enter into purchase negotiations or contracts, or in any way obligate the Owner for an indebtedness. Any purchase order or contract made which is contrary to these provisions and authorities shall be of no effect and void and the Owner shall not be bound thereby.
2. **COMPETITION INTENDED:** It is the Owner's intent that this solicitation permit competition. It shall be the Bidder's/Offeror's responsibility to advise the Purchasing Agent in writing if any language, requirement, specification, etc., or any combination thereof, stifles competition or inadvertently restricts or limits the requirements stated in this solicitation to a single source. The Purchasing Agent must receive such notification not later than five (5) business days prior to the deadline set for acceptance of the bids/proposals.

CONDITIONS OF BIDDING

3. **CLARIFICATION OF TERMS:** Unless otherwise specified, if any Bidder/Offeror has questions about the specifications or other solicitation documents, the prospective Bidder/Offeror should contact the buyer whose name appears on the face of the solicitation no later than five (5) business days prior to the date set for the opening of bids or receipt of proposals. Any revisions to the solicitation will be made only by addendum issued by the Buyer. Notifications regarding specifications may not be considered if received in less than five (5) business days of the date set for opening of bids/receipt of proposals.
4. **MANDATORY USE OF OWNER FORMS AND TERMS AND CONDITIONS:** Failure to submit a bid/proposal on the official Owner forms provided for that purpose shall be a cause for rejection of the bid/proposal. Unauthorized modification of or additions to any portion of the Invitation to Bid or Request for Proposal may be cause for rejection of the bid/proposal. However, the Owner reserves the right to decide, on a case-by-case basis, in its sole discretion, whether to reject any bid or proposal which has been modified.
5. **LATE BIDS/PROPOSALS & MODIFICATION OF BIDS/PROPOSALS:**

Any bid/proposal/modification received at the office designated in the solicitation after the exact time specified for receipt of the bid/proposal/modification is considered a late bid/proposal/modification. The Owner is not responsible for delays in the delivery of the mail by the U.S. Postal Service, private carriers or the inter-office mail system. It is the sole responsibility of the Bidder/Offeror to ensure their bid/proposal reaches the Procurement Division by the designated date and hour.

 - a. The official time used in the receipt of bids/proposals is that time stamp within the Bonfire Portal.
 - b. Late bids/proposals/modifications will be returned to the Bidder/Offeror UNOPENED, if solicitation number, acceptance date and Bidder/Offeror's return address is shown on the container.
 - c. If the Owner closes its offices due to inclement weather or other unforeseen emergency scheduled bid openings or receipt of proposals will be extended to the next business day, same time.
6. **WITHDRAWAL OF BIDS/PROPOSALS:**

A Bidder/Offeror for a contract other than for public construction may request withdrawal of his or her bid/proposal under the following circumstances:

 - a. Bids/Proposals may be withdrawn on written request from the Bidder/Offeror received at the address shown in the solicitation prior to the time of acceptance.
 - b. Requests for withdrawal of bids/proposals after opening of such bids/proposals but prior to award shall be transmitted to the Purchasing Agent, in writing, accompanied by full documentation supporting the request. If the request is based on a claim of error, documentation must show the basis of the error. Such documentation may take the form of supplier quotations, vendor work sheets, etc. If bid bonds were tendered with the bid, the Owner may exercise its right of collection.

No Bid/Proposal may be withdrawn under this paragraph when the result would be the awarding of the contract on another bid/Proposal of the same bidder/Offeror or of another bidder/Offeror in which the ownership of the withdrawing bidder/Offeror is more than five percent. In the case

of Invitation for Bids, if a bid is withdrawn under the authority of this paragraph, the lowest remaining bid shall be deemed to be the low bid. No bidder/Offeror that is permitted to withdraw a bid/proposal shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid/proposal was submitted.

7. **ERRORS IN BIDS/PROPOSALS** – When an error is made in extending total prices, the unit bid price will govern. Erasures in bids/proposals must be initialed by the bidder/Offeror. Carelessness in quoting prices, or in preparation of bid/proposal otherwise, will not relieve the Bidder/Offeror. Bidders/Offeror's are cautioned to recheck their bids/proposals for possible error. Errors discovered after public opening cannot be corrected and the bidder will be required to perform if his or her bid is accepted.
8. **IDENTIFICATION OF BID/PROPOSAL ENVELOPE:** The signed bid/proposal and requested copies should be returned in a separate envelope or package, sealed and identified with the following information:

ADDRESSED AS INDICATED ON PAGE 1

IFB/RFP NUMBER

TITLE

BID/PROPOSAL DUE DATE AND TIME

VENDOR NAME AND COMPLETE MAILING ADDRESS (RETURN ADDRESS)

If a bid/proposal is not addressed with the information as shown above, the Bidder/Offeror takes the risk that the envelope may be inadvertently opened and the information compromised, which may cause the bid/proposal to be disqualified. Bids/Proposals may be hand delivered to the designated location in the office issuing the solicitation. No other correspondence or other proposals should be placed in the envelope.

9. **ACCEPTANCE OF BIDS/PROPOSALS:** Unless otherwise specified, all formal bids/proposals submitted shall be valid for a minimum period of one hundred twenty (120) calendar days following the date established for acceptance. At the end of the one hundred twenty (120) calendar days the bid/proposal may be withdrawn at the written request of the Bidder/Offeror. If the proposal is not withdrawn at that time it remains in effect until an award is made or the solicitation is canceled.
10. **CONDITIONAL BIDS:** Conditional bids are subject to rejection in whole or in part.
11. **BIDDERS PRESENT:** At the time fixed for the opening of responses to a bid, bid contents will be made public for the information of bidders and other interested parties who may be present either in person or by representative. All bids will be opened at the time and place specified and read publicly. Bid tabulations are posted on the Procurement Division's Bulletin Board for a minimum of 10 days from award date. At the time fixed for the receipt of responses for Request for Proposals, only the names of the Offerors will be read and made available to the public.
12. **RESPONSE TO SOLICITATIONS:** In the event a vendor cannot submit a bid on a solicitation, the vendor is requested to return the solicitation cover sheet with an explanation as to why the vendor is unable to bid on these requirements. Because of the large number of firms listed on the Owner's Bidders List, it may be necessary to delete from this list the names of those persons, firms or corporations who fail to respond after having been invited to bid for three (3) successive solicitations. Such deletion will be made only after formal notification of the intent to remove the firm from the Owner's Bidders List.
13. **BIDDER INTERESTED IN MORE THAN ONE BID:** If more than one bid is offered by any one party, either directly or by or in the name of his or her clerk, partner, or other persons, all such bids may be rejected. A party who has quoted prices on work, materials, or supplies to a bidder is not thereby disqualified from quoting prices to other bidders or firms submitting a bid directly for the work, materials or supplies.
14. **TAX EXEMPTION:** The Owner is exempt from the payment of any federal excise or any Virginia sales tax. The price bid must be net, exclusive of taxes. Tax exemption certificates will be furnished if requested by the Bidder/Offeror.
15. **DEBARMENT STATUS:** By submitting their bids/proposals, Bidders/Offerors certify that they are not currently debarred from submitting bids/proposals on contracts by the Owner, nor are they an agent of any person or entity that is currently debarred from submitting bids or proposals on contracts by the Owner or any agency, public entity/locality or authority of the Commonwealth of Virginia.
16. **ETHICS IN PUBLIC CONTRACTING:** The provisions contained in *Code of Virginia* §§ 2.2-4367 through 2.2-4377 (the Virginia Public Procurement Act), as amended from time to time, shall be applicable to all contracts solicited or entered into by the Owner. By submitting their bids/proposals, all Bidders/Offerors certify that their bids/proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other Bidder, Offeror, supplier, manufacturer or subcontractor in connection with their bid/proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.
17. **NO CONTACT POLICY:** No Bidder/Offeror shall initiate or otherwise have contact related to the solicitation with any Owner representative or employee, other than the Procurement Division, after the date and time established for receipt of bids/proposals. Any contact initiated by a Bidder/Offeror with any Owner representative, other than the Procurement Division, concerning this solicitation is prohibited and may cause the disqualification of the Bidder/Offeror from this procurement process.

18. **VIRGINIA FREEDOM OF INFORMATION ACT:** All proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act (*Code of Virginia* § 2.2-3700 *et. seq.*) and § 2.2-4342 of the Virginia Public Procurement Act except as provided below:
- a. Cost estimates relating to a proposed procurement transaction prepared by or for a public body shall not be open to public inspection.
 - b. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of bids but prior to award, except in the event that the Owner decides not to accept any of the bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract. Any competitive negotiation Offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award except in the event that the Owner decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to the public inspection only after award of the contract except as provided in paragraph “c” below. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.
 - c. Trade secrets or proprietary information submitted by a bidder, Offeror or contractor in connection with a procurement transaction shall not be subject to public disclosure under the Virginia Freedom of Information and Virginia Public Procurement Acts; however, the bidder, Offeror or contractor must invoke the protections of this section prior to or upon submission of the data or other materials, and must identify the data or other materials to be protected and state the reasons why protection is necessary.
 - d. Nothing contained in this section shall be construed to require the Owner, when procuring by “competitive negotiation” (Request for Proposal), to furnish a statement of reasons why a particular proposal was not deemed to be the most advantageous to the Owner.
19. **CONFLICT OF INTEREST:** Contractor certifies by signing bid to the Owner that no conflict of interest exists between Contractor and Owner that interferes with fair competition and no conflict of interest exists between Contractor and any other person or organization that constitutes a conflict of interest with respect to the contract with the Owner.

SPECIFICATIONS

20. **BRAND NAME OR EQUAL ITEMS:** Unless otherwise provided in the solicitation, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the Owner in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The Bidder is responsible to clearly and specifically indicate the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the Owner to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed bidding, only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid non-responsive. Unless the Bidder clearly indicates in its bid/proposal that the product offered is "equal" product, such bid/proposal will be considered to offer the brand name product referenced in the solicitation.
21. **FORMAL SPECIFICATIONS:** When a solicitation contains a specification which states no substitutes, no deviation therefrom will be permitted and the bidder will be required to furnish articles in conformity with that specification.
22. **OMISSIONS & DISCREPANCIES:** Any items or parts of any equipment listed in this solicitation which are not fully described or are omitted from such specification, and which are clearly necessary for the completion of such equipment and its appurtenances, shall be considered a part of such equipment although not directly specified or called for in the specifications.
- The Bidder/Offeror shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part as the true intent and meaning of the specifications and drawings. Whenever the mention is made of any articles, material or workmanship to be in accordance with laws, ordinances, building codes, underwriter’s codes, A.S.T.M. regulations or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as to the minimum requirements of these specifications.
23. **CONDITION OF ITEMS:** Unless otherwise specified in the solicitation, all items shall be new, in first class condition.

AWARD

24. **AWARD OR REJECTION OF BIDS:** The Purchasing Agent shall award the contract to the lowest responsive and responsible bidder complying with all provisions of the IFB, provided the bid price is reasonable and it is in the best interest of the Owner to accept it. Awards made in response to a RFP will be made to the highest qualified Offeror whose proposal is determined, in writing, to be the most advantageous to the Owner taking into consideration the evaluation factors set forth in the RFP. The Purchasing Agent reserves the right to award a contract by individual items, in the aggregate, or in combination thereof, or to reject any or all bids/proposals and to waive any informality in bids/proposals received whenever such rejection or waiver is in the best interest of the Owner. Award may be made to as many bidders/Offeror’s as deemed necessary to fulfill the anticipated requirements of the Owner. The Purchasing Agent also reserves the right to reject the bid if a bidder is deemed to be a non-responsible bidder.
25. **ANNOUNCEMENT OF AWARD:** Upon the award or announcement of the decision to award a contract as a result of this solicitation, the Procurement Division will publicly post such notice on the Procurement Website at <http://www.fauquiercounty.gov/government/departments-h-z/procurement>
26. **QUALIFICATIONS OF BIDDERS OR OFFERORS:** The Owner may make such reasonable investigations as deemed proper and necessary to determine the ability of the Bidder/Offeror to perform the work/furnish the item(s) and the Bidder/Offeror shall furnish to the Owner all such

information and data for this purpose as may be requested. The Owner reserves the right to inspect Bidder's/Offeror's physical facilities prior to award to satisfy questions regarding the Bidder's/Offeror's capabilities. The Owner further reserves the right to reject any bid or proposal if the evidence submitted by or investigations of, such Bidder/Offeror fails to satisfy the Owner that such Bidder/Offeror is properly qualified to carry out the obligations of the contract and to complete the work/furnish the item(s) contemplated therein.

27. **TIE BIDS:** In the case of a tie bid, the Owner may give preference to goods, services and construction produced in Fauquier County or provided by persons, firms or corporations having principal places of business in the County. If such choice is not available, preference shall then be given to goods and services produced in the Commonwealth pursuant to *Code of Virginia* § 2.2-4324. If no County or Commonwealth choice is available, the tie shall be decided by lot.

CONTRACT PROVISIONS

28. **APPLICABLE LAW AND COURTS:** Any contract resulting from this solicitation shall be governed and construed in all respects by the laws of Virginia, and any litigation with respect thereto shall only be brought in the appropriate General District or Circuit Court of Fauquier County, Virginia. The Contractor shall comply with all applicable federal, state and local laws and regulations.
29. **ANTITRUST:** By entering into a contract, the Contractor conveys, sells, assigns, and transfers to the Owner all rights, title and interest in and to all causes of the action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Owner under said contract. This includes, but is not limited to, overcharges as to goods and/or services provided in connection with this contract resulting from antitrust violations that arise under United States' or the Commonwealth's antitrust laws. Consistent and continued tie bidding could cause rejection of bids by the Purchasing Agent and/or investigation for antitrust violations.
30. **INVOICING AND PAYMENT TERMS:** Unless otherwise provided in the solicitation payment will be made forty-five (45) days after receipt of a proper invoice, or forty-five (45) days after receipt of all goods or acceptance of work, whichever is the latter.
- Invoices for items/services ordered, delivered/performed and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the contract number, purchase order number, and any federal employer identification number.
 - Any payment terms requiring payment in less than 45 days will be regarded as requiring payment 45 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 45 days, however.
 - The date of payment shall be deemed the date of postmark in all cases where payment is made by mail.
 - The Owner's fiscal year is July 1 - June 30. Contractors must submit invoices, especially for goods and/or services provided in the month of JUNE, for the entire month i.e. June 1 - June 30, so that expenses are recognized in the appropriate fiscal year.
 - Any payment made by the Contractor to the Owner shall only be made in U.S. Dollars. If payment is received in foreign currency the Owner may, in its sole discretion, reject such payment and require immediate compensation in U.S. Dollars.
31. **PAYMENT TO SUBCONTRACTORS:** A contractor awarded a contract under this solicitation is hereby obligated:
- To pay the subcontractor(s) within seven (7) days of the contractor's receipt of payment from the Owner for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or
 - To notify the Owner and the subcontractor(s), in writing, of the contractor's intention to withhold payment and the reason. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month compounded monthly (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the Owner, except for amounts withheld as stated in 2 above. The date of mailing of any payment by postage prepaid U.S. Mail is deemed to be payment to the addressee. These provisions apply to each subtier contractor performing under the primary contract-. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Owner.
32. **ASSIGNMENT OF CONTRACT:** A contract shall not be assignable by the Contractor in whole or in part without the written consent of the Purchasing Agent.
33. **DEFAULT:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Owner, after due oral or written notice, may procure them from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to another remedies which the Owner may have.
34. **ANTI-DISCRIMINATION:** By submitting their bids/proposals, Bidders/Offeror's certify to the Owner that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians with Disabilities Act, the Americans with Disabilities Act, the Virginia Human Rights Act (*Code of Virginia* § 2.2-3900 *et seq.*) and § 2.2-4311 of the Virginia Public Procurement Act. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (*Code of Virginia*, § 2.2-4343.1(E)).

In every contract over \$10,000 the provisions in A and B below apply:

- During the performance of this contract, the Contractor agrees as follows:

- 1) The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 - 2) The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.
 - 3) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
- b. The Contractor will include the provisions of a. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.
35. **CHANGES TO THE CONTRACT:** Changes can only be made to the contract in one of the following ways:
- a. The parties may agree in writing to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.
 - b. The Owner may order changes within the general scope of the contract at any time by written notice to the Contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Owner a credit for any savings. Said compensation shall be determined by one of the following methods.
 - 1) By mutual agreement between the parties in writing; or
 - 2) By agreeing in writing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the Owner's right to audit the Contractor's records and/or determine the correct number of units independently; or
 - 3) By ordering the Contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The Contractor shall present the Owner with all vouchers and records of expenses incurred and savings realized. The Owner shall have the right to audit the records of the Contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Procurement Division within thirty (30) days from the date of receipt of the written order from the Procurement Division. If the parties fail to agree on an amount of adjustment, the questions of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for relieving disputes provided by the Disputes Clause of this contract. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this contract shall excuse the Contractor from promptly complying with the changes ordered by the Owner or with the performance of the contract generally.
 - c. No modification for a fixed price contract may be increased by more than 25% or \$50,000, whichever is greater without the advanced written approval of the Board of Supervisors or the School Board, as applicable.
36. **INDEMNIFICATION:** Contractor shall indemnify, keep and save harmless the Owner, its agents, officials, employees and volunteers against claims of injuries, death, damage to property, patent claims, suits, liabilities, judgments, cost and expenses which may otherwise accrue against the Owner in consequence of the granting of a contract or which may otherwise result therefrom, if it shall be determined that the act was caused through negligence or error, or omission of the Contractor or his or her employees, or that of the subcontractor or his or her employees, if any; and the Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith; and if any judgment shall be rendered against the Owner in any such action, the Contractor shall, at his or her own expenses, satisfy and discharge the same. Contractor expressly understands and agrees that any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Owner as herein provided.
37. **DRUG-FREE WORKPLACE:** During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "*drug-free workplace*" means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with this chapter, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

38. **TERMINATION:** Subject to the provisions below, the contract may be terminated by the Owner upon thirty (30) days advance written notice to the other party. Any contract cancellation notice shall not relieve the contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.
- a. **Termination for Convenience:** In the event that the contract is terminated upon request and for the convenience of the Owner, without the required thirty (30) days advance notice, then the Owner shall be responsible for payment of services up to the termination date.
 - b. **Termination for Cause:** Termination by the Owner for cause, default or negligence on the part of the contractor shall be excluded from the foregoing provision; termination costs, if any shall not apply. However, pursuant to the Default provision of these General Conditions, the

Owner may hold the contractor responsible for any resulting additional purchase and administrative costs. The thirty (30) days advance notice requirement is waived in the event of Termination for Cause.

c. **Termination Due to Unavailability of Funds in Succeeding Fiscal Years:** When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, the contract shall be canceled without any liability or penalty to Owner.

39. **USE OF CONTRACT BY OTHER PUBLIC BODIES:** Except as prohibited by the current *Code of Virginia*, all resultant contracts will be extended, with the authorization of the Contractor, to other public bodies of the Commonwealth of Virginia and all currently active members of the Metropolitan-Washington Council of Governments (MWCOG) or, Mid-Atlantic Purchasing Team, to permit their ordering of supplies and/or services at the prices and terms of the resulting contract. If any other public body decides to use the final contract, the Contractor must deal directly with that public body concerning the placement or orders, issuance of the purchase order, contractual disputes, invoicing and payment. Fauquier County acts only as the “Contracting Agent” for these public bodies. Any resulting contract with other public bodies shall be governed by the laws of that specific entity. It is the Contractor’s responsibility to notify the public bodies of the availability of the contract. Fauquier County shall not be held liable for any costs or damage incurred by another public body as a result of any award extended to that public body by the Contractor.

40. **AUDIT:** The Contractor hereby agrees to retain all books, records and other documents relative to this contract for five years after final payment, or until audited by the Owner, whichever is sooner. The agency, its authorized agents, and/or Owner auditors shall have full access to and right to examine any of said materials during said period.

41. **SEX OFFENDER REGISTRY NOTIFICATION:** The Contractor shall not employ on school property any employee who is a registered sex offender and shall enforce the same restriction upon all sub-contractors and agents of Contractor. Prior to starting work and quarterly during performance of the work, the Contractor shall check the Virginia State Police Sex Offender Registry to verify sex offender status of all employees and agents of Contractor and Sub-Contractors who are employed on school property by the Contractor or Sub-Contractor. The Contractor shall furnish the Owner with evidence verifying compliance with the services.

Prior to starting work on-site, the Contractor shall submit a completed Fauquier County Public Schools “CERTIFICATION OF NO CRIMES AGAINST CHILDREN” form, a copy of which is included in this solicitation.

42. **COMPLIANCE WITH FEDERAL, STATE, AND LOCAL LAWS AND FEDERAL IMMIGRATION LAW:** During the term of any contract, the Contractor does not, and shall not during the performance of the contract for goods and services in the Commonwealth of Virginia, knowingly employ an unauthorized alien as defined in the Federal Immigration Reform and Control Act of 1986.

43. **ASBESTOS NOTIFICATION:** As required by the Environmental Protection Agency Asbestos Hazard Emergency Response Act 40 CFR, subpart E, 763.93, information regarding asbestos inspections, response actions, and post response activities is on file in a full asbestos report located in the main office of each school. Contractors bear full responsibility to review this material prior to commencing any activity at a school site.

44. **VIRGINIA STATE CORPORATION COMMISSION:** If required by law, the Contractor shall maintain a valid certificate of authority or registration to transact business in Virginia with the Virginia State Corporation Commission as required by Title 13.1 of the *Code of Virginia*, during the term of the Contract or any Contract renewal. The Contractor shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth to be revoked or cancelled at any time during the terms of the contract. If the Contractor fails to remain in compliance with the provisions of this section, the contract is voidable at the option of Owner.

45. **ADA WEBSITE-RELATED ACCESSIBILITY:** Any Contractor who performs services, designs, develops content, maintains or otherwise bears responsibility for the content and format of Owner’s website(s) or third-party programs accessed through Owner’s website(s), acknowledges receipt of, and responsibility to implement the accessibility standards found in the U.S. Department of Justice publication entitled “Accessibility of State and Local Government Websites to People with Disabilities,” available at www.ada.gov/websites2.htm or, as attached directly to the solicitation. Contractor services as noted, shall conform to § 508 of Title III of the Americans with Disabilities Act (ADA) and the World Wide Web Consortium’s (W3C) Web Content Accessibility Guidelines (WCAG 2.0 AA), most current versions, in addition to the Owner’s web accessibility policy.

DELIVERY PROVISION

46. **SHIPPING INSTRUCTIONS-CONSIGNMENT:** Unless otherwise specified in the solicitation each case, crate, barrel, package, etc., delivered under the contract must be plainly stenciled or securely tagged, stating the Contractor’s name, purchase order number, and delivery address as indicated in the order. Where shipping containers are to be used, each container must be marked with the purchase order number, name of the Contractor, the name of the item, the item number, and the quantity contained therein. Deliveries must be made within the hours of 8:00 a.m. – 2:30 p.m. Deliveries at any other time will not be accepted unless specific arrangements have been previously made with the designated individual at the delivery point. No deliveries will be accepted on Saturdays, Sundays and holidays unless previous arrangements have been made. It shall be the responsibility of the contractor to insure compliance with these instructions for items that are drop-shipped.

47. **RESPONSIBILITY FOR SUPPLIES TENDERED:** The Contractor shall be responsible for the materials or supplies covered by the contract until they are delivered at the designated point, but the Contractor shall bear all risk on rejected materials or supplies after notice of rejection. Rejected materials or supplies must be removed by and at the expense of the contractor promptly after notification of rejection, unless public health and safety require immediate destruction or other disposal of rejected delivery. If rejected materials are not removed by the Contractor

within ten (10) days after date of notification, the Owner may return the rejected materials or supplies to the Contractor at his or her risk and expense or dispose of them as its own property.

48. **INSPECTIONS:** The Owner reserves the right to conduct any test/inspection it may deem advisable to assure supplies and services conform to the specification. Inspection and acceptance of materials or supplies will be made after delivery at destinations herein specified unless otherwise stated. If inspection is made after delivery at destination herein specified, the Owner will bear the expense of inspection except for the value of samples used in case of rejection. Final inspection shall be conclusive except in regard to latent defects, fraud or such gross mistakes as to amount to fraud. Final inspection and acceptance or rejection of the materials or supplies will be made as promptly as practicable, but failure to inspect and accept or reject materials or supplies shall not impose liability on the Owner for such materials or supplies as are not in accordance with the specifications.
49. **COMPLIANCE:** Delivery must be made as ordered and in accordance with the solicitation or as directed by the Procurement Division when not in conflict with the bid/contract. The decision as to reasonable compliance with delivery terms shall be final. Burden of proof of delay in receipt of goods by the purchaser shall rest with the Contractor. Any request for extension of time of delivery from that specified must be approved by the Procurement Division, such extension applying only to the particular item or shipment affected. Should the Contractor be delayed by the Owner, there shall be added to the time of completion a time equal to the period of such delay caused by the Owner. However, the contractor shall not be entitled to claim damages of extra compensation for such delay or suspension. These conditions may vary for construction contracts.
50. **POINT OF DESTINATION:** All materials shipped to the Owner must be shipped F.O.B. DESTINATION unless otherwise stated in the contract. The materials must be delivered to the "Ship To" address indicated on the purchase order.
51. **REPLACEMENT:** Materials or components that have been rejected by the Procurement Division, in accordance with the terms of the contract, shall be replaced by the Contractor at no cost to the Owner.
52. **PACKING SLIPS OR DELIVERY TICKETS:** All shipments shall be accompanied by Packing Slips or Delivery Tickets and shall contain the following information for each item delivered:
- Purchase Order Number,
 - Name of Article and Stock Number,
 - Quantity Ordered,
 - Quantity Shipped,
 - Quantity Back Ordered,
 - The Name of the Contractor.

Contractors are cautioned that failure to comply with these conditions shall be considered sufficient reason for refusal to accept the goods.

BIDDER/CONTRACTOR REMEDIES

53. **PROTEST OF AWARD OR DECISION TO AWARD:** Any Bidder/Offeror who desires to protest the award or decision to award a contract, by either Fauquier County or the Fauquier County School Board, shall submit such protest in writing to the County Administrator (if the award or decision to award was made by Fauquier County) or the Superintendent of Schools (if the award or decision to award was made by the Fauquier County School Board), no later than ten (10) days after public notice of the award or announcement of the decision to award, whichever comes first. No protest shall lie for a claim that the selected bidder/Offeror is not a responsible bidder/Offeror. The written protest shall include the basis for the protest and the relief sought. The County Administrator or the Superintendent of Schools, as the case may be, shall issue a decision in writing within ten (10) days stating the reasons for the action taken. This decision shall be final unless the bidder/Offeror appeals within ten (10) days of the written decision by instituting legal action as provided in § VIII.H.3 of the County's Procurement Policy. Nothing in this paragraph shall be construed to permit an Offeror to challenge the validity of the terms or conditions of the solicitation.
54. **DISPUTES:** Contractual claims, whether for money or other relief, shall be submitted in writing to the Superintendent of Schools (if the claim is against the Fauquier County School Board) or the County Administrator (if the claim is against Fauquier County) no later than sixty (60) days after final payment; however, written notice of the Contractor's intention to file such claim shall have been given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amount agreed due in the final payment. A written decision upon any such claims will be made by the School Board (if the claim is against the Fauquier County School Board) or the County Board of Supervisors (if the claim is against Fauquier County) within sixty (60) days after submittal of the claim. The Contractor may not institute legal action prior to receipt of the School Board or Board of Supervisors (whichever is applicable) decision on the claim unless the applicable party fails to render such decision within sixty (60) days. The decision of the School Board or Board of Supervisors (as applicable) shall be final and conclusive unless the Contractor within six (6) months of the date of the final decision on a claim, initiates legal action as provided in *Code of Virginia* § 2.2-4364. Failure of the School Board or Board of Supervisors to render a decision within sixty (60) days shall not result in the Contractor being awarded the relief claimed nor shall it result in any other relief or penalty. Should the School Board or Board of Supervisors (as applicable) fail to render a decision within sixty (60) days after submittal of the claim, the Contractor may institute legal action within six (6) months after such 60-day period shall have expired, or the claim shall be deemed finally resolved. No administrative appeals procedure pursuant to *Code of Virginia* § 2.2-4365 has been established for contractual claims under this contract.

Any changes to the IFB that result from such a clarification request, will be communicated through a written addendum and posted on the Procurement home page at www.loudoun.gov/procurement. Failure to request such a clarification is a waiver of any claim by the bidder for additional expenses because its interpretation was different than the County's.

2. The fourth (4th) decimal place shall remain unchanged when the fifth (5th) decimal place is less than five (5).

B. Reimbursement Request Calculations:

Reimbursement requests shall be calculated using the formula below.

The formula is the Reimbursement Percentage multiplied by the American Metal Market (AMM) price index for No. 2 bundles for Philadelphia multiplied by the conversion factor for gross to short tons (0.8928) multiplied by the net tons of scrap collected per month. Current Price index can be found on the Fastmarkets website since AMM is now part of Fastmarkets: <https://www.fastmarkets.com/>

Due to fluctuations in scrap prices, reimbursements will be calculated monthly, using the AMM / Fastmarkets index pricing for the first business day of the month prior to that in which services were rendered.

The monthly reimbursement request will be derived from the formula below:

$$\text{Formula: } A = B \times C \times 0.8928 \times D$$

A = Reimbursement Amount or Price

B = Net Weight (Tons)

C = AMM / Fastmarkets price for No. 2 Bundles, Philadelphia

D = Reimbursement Percentage

C. Reimbursement Delivery:

Reimbursement Terms are Net 30, no later than the 5th day of the following month to the below address. Make check payable to:

Loudoun County Department of General Services
PO Box 7100

Attn: Waste Management Division

The Contractor shall provide to the County by email a copy of the AMM / Fastmarkets pricing at the beginning of each month that will be used to determine the scrap metal value.

6.18 Substitutions

NO substitutions, additions or cancellations, including those of key personnel, are permitted after Contract award without written approval by the Division of Procurement. Where specific employees are proposed by the Contractor for the work, those employees shall perform the work as long as those employees work for the Contractor, either as employees or subcontractors, unless the County agrees to a substitution. Requests for substitutions will be reviewed by the County and approval may be given by the County at its sole discretion.

6.19 Workmanship and Inspection

All work under this Contract shall be performed in a skillful and workmanlike manner. The Contractor and its employees shall be professional and courteous at all times. The County reserves the right to require immediate removal of any Contractor employee from County service it deems unfit for service for any reason, not contrary to law. This right is non-negotiable and the Contractor agrees to this condition by accepting this Agreement. Further, the County may, from time to time, make inspections of the work performed

under the Agreement. Any inspection by the County does not relieve the Contractor of any responsibility in meeting the Agreement requirements.

The Contractor will have all employees working at County sites wear a uniform and have photo identification (frontal face). This identification must be prominently displayed at all times. No one with a felony conviction may be employed under this Agreement. The Contractor MUST remove any employee from County service who is convicted of a felony during his or her employment.

However, this exemption does not apply to the Contractor, and the Contractor shall be responsible for the payment of any sales, use, or excise tax it incurs in providing the goods required by the Contract, including, but not limited to, taxes on materials purchased by a Contractor for incorporation in or use on a construction project. - B. Notify the County and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment and the reason for non-payment.

The Contractor shall pay interest to the subcontractor on all amounts owed that remain unpaid beyond the seven (7) day period except for amounts withheld as allowed in item B. above.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to this provision may not be construed to be an obligation of the County.

6.24 Assignment

The Agreement may not be assigned in whole or in part without the prior written consent of the Division of Procurement. The rights and obligations of the Contractor are personal and may be performed only by the Contractor. Any purported assignment that does not comply with this provision is void. This Agreement is binding upon and inures to the benefit of the parties and their respective permitted successors and assigns

6.25 Termination

Subject to the provisions below, this Contract may be terminated by the County upon thirty (30) days advance written notice to the Contractor; but if any work or service hereunder is in progress, but not completed as of the date of termination, then the Contract may be extended upon written approval of the County until said work or services are completed and accepted.

A. Termination for Convenience

The County may terminate this Contract for convenience at any time in which the case the parties shall negotiate reasonable termination costs.

B. Termination for Cause

In the event of Termination for Cause, the thirty (30) days advance notice is waived and the Contractor shall not be entitled to termination costs.

C. Termination Due to Unavailability of Funds in Succeeding Fiscal Years

If funds are not appropriated or otherwise made available to support continuation of the performance of this Contract in a subsequent fiscal year, then the Contract shall be canceled and, to the extent permitted

by law, the Contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the Contract.

6.26 Contractual Disputes

The Purchasing Agent's decision shall be final unless the Contractor appeals within thirty (30) days by submitting a written letter of appeal to the County Administrator, or his designee. The County Administrator shall render a decision within sixty (60) days of receipt of the appeal.

No Contractor shall institute any legal action until all statutory requirements have been met. Each party shall bear its own costs and expenses resulting from any litigation, including attorney's fees.

6.27 Severability

A. Contractor Confidentiality

The Contractor acknowledges and understands that its employees may have access to proprietary, business information, or other confidential information belonging to the County of Loudoun. Therefore, except as required by law, the Contractor agrees that its employees will not:

1. Access or attempt to access data that is unrelated to their job duties or authorizations as related to this Contract.
2. Access or attempt to access information beyond their stated authorization.
3. Disclose to any other person, or allow any other person access to, any information related to the County or any of its facilities or any other user of this Contract that is proprietary or confidential. The Contractor understands that the County, or others may suffer irreparable harm by disclosure of proprietary or confidential information and that the County may seek legal remedies available to it should such disclosure occur. Further, the Contractor understands that violations of this provision may result in Contract termination.

The Contractor understands that information and data obtained during the performance of this agreement shall be considered confidential, during and following the term of this Contract, and will not be divulged without the Purchasing Agent's written consent and then only in strict accordance with prevailing laws. The Contractor shall hold all information provided by the County as proprietary and confidential, and shall make no unauthorized reproduction or distribution of such material.

A signature by any party to this Contract provided by facsimile or electronic mail is binding upon that party as if it were the original.

6.35 Force Majeure

A party is not liable for failure to perform the party's obligations if such failure is as a result of Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, strikes at national level or industrial disputes at a national level, or strike or industrial disputes by labor not employed by the affected party, its subcontractors or its suppliers and which affect an essential portion of the contracted for works but excluding any industrial dispute which is specific to the performance of the works or this Contract, interruption or failure of electricity or telephone service.

If a party asserts Force Majeure as an excuse for failure to perform the party's obligation, that party must immediately notify the other party giving full particulars of the event of force majeure and the reasons for the event of force majeure preventing that party from, or delaying that party in performing its obligations under this Contract and that party must use its reasonable efforts to mitigate the effect of the event of Force Majeure upon its or their performance of the Contract and to fulfill its or their obligations under the Contract.

The Contractor has no entitlement and County has no liability for: (1) any costs, losses, expenses, damages or the payment of any part of the Contract price during an event of force majeure; and (2) any delay costs in any way incurred by the contractor due to an event of force majeure.

The Division of Procurement is the sole point of contact for this solicitation unless otherwise instructed herein. Unauthorized contact with other Loudoun County staff regarding the IFB may result in the disqualification of the bidder. Inquiries pertaining to the Invitation for Bid must give the IFB number, time and date of opening and the title of the IFB. Material questions will be answered in writing with an Addendum provided, however, that all questions are received **by 4:00 p.m. January 23, 2025**. Exceptions

or additions proposed after bid submission by the successful bidder shall not be accepted.

7.4 Inspection of Site

It is strongly recommended that all bidders make an on-site inspection of the location where the work will be performed to become completely familiar with the existing conditions. Failure to comply with this requirement will not relieve the successful bidder of its obligation to carry out the scope of the resulting Contract. The scrap metal collecting area is available for inspection during normal business hours. Inspections may be arranged by contacting:

Waste Management Division at 571-233-1937

7.5 Firm Pricing for County Acceptance

7.7 Proprietary Information

Trade secrets or proprietary information submitted by a bidder in connection with this solicitation shall not be subject to disclosure under the Virginia Freedom of Information Act; however, pursuant to Section 2.2-4342 of the Code of Virginia, the bidder must invoke the protections of this section prior to or upon submission of the data or other materials, and must clearly identify the data or other materials to be protected and state the reasons why protection is necessary. Failure to abide by this procedure may result in disclosure of the bidder's information. Bidders shall not mark sections of their bid as proprietary if they are to be part of the award of the Contract and are of a "Material" nature.

7.8 Authority to Bind Firm in Contract

Bids MUST give full firm name and address of bidder. Failure to manually sign bid may disqualify it. Person signing bid will show TITLE or AUTHORITY TO BIND THE FIRM IN A CONTRACT. Firm name and authorized signature must appear on bid in the space provided on the pricing page. Those authorized to sign are as follows:

If a sole proprietorship, the owner may sign.

If a general partnership, any general partner may sign.

If a limited partnership, a general partner must sign.

Others may be granted authority to sign but the County requires that a corporate document authorizing him/her to sign be submitted with bid.

7.9 Correction or Withdrawal of Bids and Cancellation of Awards

Correction or withdrawal of inadvertently erroneous bids before or after award, or cancellation of awards or Contracts based on such bid mistakes, may be permitted at the County's discretion. After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the County or fair competition shall be permitted. Except as otherwise provided by regulation, all decisions to permit the correction or withdrawal of bids, or to cancel awards or Contracts based on bid mistakes, shall be supported by a written determination made by the Purchasing Agent. No bid may be withdrawn when the result would be to award the Contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent (5%). If a bid is withdrawn, the highest responsive and responsible remaining bid shall be deemed to be the low bid. If the Purchasing Agent, the Using Agency, or a designee of such, denies the withdrawal of a bid, he shall notify the bidder in writing stating the reasons for his decision.

7.10 Subcontractors

All bidders shall include a list of all subcontractors with their bid. The County reserves the right to reject the successful bidder's selection of subcontractors for good cause. If a subcontractor is rejected, the bidder may replace that subcontractor with another subcontractor subject to the approval of the County. Any such replacement shall be at no additional expense to the County, nor shall it result in an extension of time without the County's approval.

7.11 References

All bidders shall include, with their bids, a list of at least three (3) current references for whom comparable work has been performed. This list shall include company name, person to contact, address, telephone number, fax number, e-mail address, and the nature of the work performed. Failure to include references shall be cause for rejection of bid as non-responsible. Bidder hereby releases listed references from all claims and liability for damages that may result from the information provided by the reference.

7.12 Quantities

The quantities specified in this Invitation for Bid are estimated only and are given for the information of bidders and for the purpose of bid evaluation. They do not indicate the actual quantity which will be ordered, since such volume will depend upon requirements which develop during the Contract period.

Quantities shown shall not be construed to represent any amount which the County shall be obligated to purchase under the Contract or relieve the Contractor of his obligation to fill all orders placed by the County.

NO BID WILL BE CONSIDERED WHICH STIPULATES THAT LOUDOUN COUNTY SHALL GUARANTEE TO ORDER A SPECIFIC QUANTITY OF ANY ITEM.

7.13 Incidental and Consequential Damages

No bidder may require contractual language limiting or eliminating liability for incidental and consequential damages.

7.14 Late Bids

LATE bids shall be returned to bidder UNOPENED, if IFB number, opening date and bidder's return address is shown on the container.

7.15 Rights of County

The County reserves the right to reject all or any part of any bid, waive informalities, and award the Contract to the highest responsive and responsible bidder to best serve the interest of the County. Informality shall mean a minor defect or variation of a bid from the exact requirements of the Invitation to Bid which does not affect the price, quality, quantity, or delivery schedule for the goods, services or construction being procured.

7.16 Prohibition as Subcontractors Under Competitive Sealed Bidding

No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the Contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

7.17 Vendor Preference in Tie Bids

The Division of Procurement and all other departments of the County making purchases of goods, services or construction shall give preference to goods, services or construction sold by County and state vendors, in that order, in all cases of tie bids, quality and service being equal.

7.18 Anti-Trust Violations

Tie bids may cause rejection of bids by the Division of Procurement and/or prompt an investigation for Anti-Trust violations.

7.19 Basis for Award

Contract award will to the bidder offering the highest reimbursement percentage to the County for scrap metal collected.

Whenever the highest responsive and responsible bidder is a resident of a state other than Virginia and such state under its laws allows a resident contractor of that state a percentage preference, a like preference shall be allowed to the highest responsive and responsible bidder who is a resident of Virginia and is the next highest bidder. If the highest bidder is a resident contractor of a state with an absolute preference, the bid preference shall not be considered.

7.20 Notice of Award

A Notice of Award will be posted on the County's web site (www.loudoun.gov/procurement).

All calculations in this Section shall be carried to the fifth (5th) decimal place and rounded to the fourth (4th) decimal place. The following rules shall be used for rounding:
 1. The fourth (4th) decimal place shall be rounded up when the fifth (5th) decimal place is five (5) or greater.
 2. The fourth (4th) decimal place shall remain unchanged when the fifth (5th) decimal place is less than five (5).
- B. Reimbursement Request Calculations:
Reimbursement requests shall be calculated using the formula below. The formula is the Reimbursement Percentage multiplied by the American Metal Market (AMM) price index for No. 2 bundles for Philadelphia multiplied by the conversion factor for gross to short tons (0.8928) multiplied by the net tons of scrap collected per month. Current Price index can be found on the Fastmarkets website since AMM is now part of Fastmarkets: <https://www.fastmarkets.com/>

Due to fluctuations in scrap prices, reimbursements will be calculated monthly, using the AMM / Fastmarkets index pricing for the first

business day of the month prior to that in which services were rendered.

The monthly reimbursement request will be derived from the formula below:

Formula: $A = B \times C \times 0.8928 \times D$

A = Reimbursement Amount or Price

B = Net Weight (Tons)

C = AMM / Fastmarkets price for No. 2 Bundles, Philadelphia

D = Reimbursement Percentage

C. Reimbursement Delivery:

Reimbursement Terms are Net 30, no later than the 5th day of the following month to the below address. Make check payable to:

County of Loudoun, Virginia
Loudoun County Department of General Services
PO Box 7100
Leesburg, VA 20177-7100
Attn: Waste Management Division

The Contractor shall provide to the County by email a copy of the AMM / Fastmarkets pricing at the beginning of each month that will be used to determine the scrap metal value.

The provisions contained in §§ 2.2-4367 through 2.2-4377 of the Virginia Public Procurement Act as set forth in the 1950 Code of Virginia, as amended, shall be applicable to all Contracts solicited or entered into by the County. A copy of these provisions may be obtained from the Purchasing Agent upon request.

The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 2. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, shall state that such Contractor is an equal opportunity employer.
 3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient to meet this requirement.
- B. The Contractor will include the provisions of the foregoing paragraphs, 1, 2, and 3 in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

During the performance of this Contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific Contract awarded to a Contractor in accordance with this chapter, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana during the performance of the Contract.

2.16 Faith-Based Organizations

2.18 Substitutions

NO substitutions, additions or cancellations, including those of key personnel, are permitted after Contract award without written approval by the Division of Procurement. Where specific employees are proposed by the Contractor for the work, those employees shall perform the work as long as those employees work for the Contractor, either as employees or subcontractors, unless the County agrees to a substitution. Requests for substitutions will be reviewed by the County and approval may be given by the County at its sole discretion.

2.19 Workmanship and Inspection

All work under this Contract shall be performed in a skillful and workmanlike manner. The Contractor and its employees shall be professional and courteous at all times. The County reserves the right to require immediate removal of any Contractor employee from County service it deems unfit for service for any reason, not contrary to law. This right is non-negotiable and the Contractor agrees to this condition by accepting this Agreement. Further, the County may, from time to time, make inspections of the work

performed under the Agreement. Any inspection by the County does not relieve the Contractor of any responsibility in meeting the Agreement requirements.

The Contractor will have all employees working at County sites wear a uniform and have photo identification (frontal face). This identification must be prominently displayed at all times. No one with a felony conviction may be employed under this Agreement. The Contractor MUST remove any employee from County service who is convicted of a felony during his or her employment.

Pursuant to Va. Code § 58.1-609.1, the County is exempt from Virginia State Sales or Use Taxes and Federal Excise Tax, therefore the Contractor shall not charge the County for Virginia State Sales or Use Taxes or Federal Excise Tax on the finished goods or products provided under the Contract. However, this exemption does not apply to the Contractor, and the Contractor shall be responsible for the payment of any sales, use, or excise tax it incurs in providing the goods required by the Contract, including, but not limited to, taxes on materials purchased by a Contractor for incorporation in or use on a construction project. Nothing in this section shall prohibit the Contractor from including its own sales tax expense in connection with the Contract in its Contract price.

2.22 Ordering, Reimbursement Payment

2.23 Payments to Subcontractors

Within seven (7) days after receipt of amounts paid by the County for work performed by a subcontractor under this Contract, the Contractor shall either:

- A. Pay the subcontractor for the proportionate share of the total payment received from the County attributable to the work performed by the subcontractor under this Contract; or
- B. Notify the County and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment and the reason for non-payment.

The Contractor shall pay interest to the subcontractor on all amounts owed that remain unpaid beyond the seven (7) day period except for amounts withheld as allowed in item B. above.

Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements as set forth above with respect to each lower-tier subcontractor.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to this provision may not be construed to be an obligation of the County.

2.24 Assignment

The Agreement may not be assigned in whole or in part without the prior written consent of the Division of Procurement. The rights and obligations of the Contractor are personal and may be performed only by the Contractor. Any purported assignment that does not comply with this provision is void. This Agreement is binding upon and inures to the benefit of the parties and their respective permitted successors and assigns

2.25 Termination

Subject to the provisions below, this Contract may be terminated by the County upon thirty (30) days advance written notice to the Contractor; but if any work or service hereunder is in progress, but not completed as of the date of termination, then the Contract may be extended upon written approval of the County until said work or services are completed and accepted.

A. Termination for Convenience

The County may terminate this Contract for convenience at any time in which the case the parties shall negotiate reasonable termination costs.

B. Termination for Cause

In the event of Termination for Cause, the thirty (30) days advance notice is waived and the Contractor shall not be entitled to termination costs.

C. Termination Due to Unavailability of Funds in Succeeding Fiscal Years

If funds are not appropriated or otherwise made available to support continuation of the performance of this Contract in a subsequent fiscal year, then the Contract shall be canceled and, to the extent permitted by law, the Contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the Contract.

2.26 Contractual Disputes

The Contractor shall give written notice to the Purchasing Agent of intent to file a claim for money or other relief within ten (10) calendar days of the occurrence giving rise to the claim or at the beginning of the work upon which the claim is to be based, whichever is earlier.

The Contractor shall submit its invoice for final payment within thirty (30) days after completion or delivery.

The claim, with supporting documentation, shall be submitted to the Purchasing Agent by US Mail, courier, or overnight delivery service, no later than sixty (60) days after final payment. If the claim is not disposed of by agreement, the Purchasing Agent shall reduce his/her decision to writing and mail or otherwise forward a copy thereof to the Contractor within thirty (30) days of the County's receipt of the claim.

The Purchasing Agent's decision shall be final unless the Contractor appeals within thirty (30) days by submitting a written letter of appeal to the County Administrator, or his designee. The County Administrator shall render a decision within sixty (60) days of receipt of the appeal.

No Contractor shall institute any legal action until all statutory requirements have been met. Each party shall bear its own costs and expenses resulting from any litigation, including attorney's fees.

2.27 Severability

In the event that any provision shall be adjudged or decreed to be invalid, by a court of competent jurisdiction, such ruling shall not invalidate the entire Agreement but shall pertain only to the provision in question and the remaining provisions shall continue to be valid, binding and in full force and effect.

2.33 Confidentiality

A. Contractor Confidentiality

The Contractor acknowledges and understands that its employees may have access to proprietary, business information, or other confidential information belonging to the County of Loudoun. Therefore, except as required by law, the Contractor agrees that its employees will not:

1. Access or attempt to access data that is unrelated to their job duties or authorizations as related to this Contract.
2. Access or attempt to access information beyond their stated authorization.
3. Disclose to any other person, or allow any other person access to, any information related to the County or any of its facilities or any other user of this Contract that is proprietary or confidential. Disclosure of information includes, but is not limited to, verbal discussions, FAX transmissions, electronic mail messages, voice mail communication, written documentation, "loaning" computer access codes and/or another transmission or sharing of data.

The Contractor understands that the County, or others may suffer irreparable harm by disclosure of proprietary or confidential information and that the County may seek legal remedies available to it should such disclosure occur. Further, the Contractor understands that violations of this provision may result in Contract termination.

The Contractor understands that information and data obtained during the performance of this agreement shall be considered confidential, during and following the term of this Contract, and will not be divulged without the Purchasing Agent's written consent and then only in strict accordance with prevailing laws. The Contractor shall hold all information provided by the County as proprietary and confidential, and shall make no unauthorized reproduction or distribution of such material.

B. County Confidentiality

In addition, the County understands that certain information provided by the Contractor during the performance of this Agreement may also contain confidential or proprietary information. All information will be maintained in accordance with the Virginia Freedom of Information Act.

2.34 Counterparts

This Contract and any amendments or renewals hereto may be executed in a number of counterparts, and each counterpart signature, when taken with the other counterpart signatures, is treated as if executed upon one original of this Contract or any amendment or renewal. A signature by any party to this Contract provided by facsimile or electronic mail is binding upon that party as if it were the original.

2.35 Force Majeure

A party is not liable for failure to perform the party's obligations if such failure is as a result of Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, strikes at national level or industrial disputes at a national level, or strike or industrial disputes by labor not employed by the affected party, its subcontractors or its suppliers and which affect an essential portion of the contracted for works but excluding any industrial dispute which is specific to the performance of the works or this Contract, interruption or failure of electricity or telephone service.

If a party asserts Force Majeure as an excuse for failure to perform the party's obligation, that party must immediately notify the other party giving full particulars of the event of Force Majeure and the reasons for the event

of Force Majeure preventing that party from, or delaying that party in performing its obligations under this Contract and that party must use its reasonable efforts to mitigate the effect of the event of Force Majeure upon its or their performance of the Contract and to fulfill its or their obligations under the Contract.

An event of Force Majeure does not relieve a party from liability for an obligation which arose before the occurrence of that event, nor does that event affect the obligation to pay money in a timely manner which matured prior to the occurrence of that event.

The Contractor has no entitlement and County has no liability for: (1) any costs, losses, expenses, damages or the payment of any part of the Contract price during an event of Force Majeure; and (2) any delay costs in any way incurred by the Contractor due to an event of Force Majeure.

Upon discharge of this Agreement, Sections (Notice, Hold Harmless, Governing Law/Forum, and Contractual Disputes) of these Terms and Conditions continue and survive in full force and effect.

2.37 Non-Waiver

3.0 **COMPENSATION TO COUNTY**

In compliance with this Agreement, the Contractor agrees to perform all services detailed herein and compensate the County based on the Reimbursement Percentage of 0.4529 or 45.29%. **The Reimbursement Percentage will remain fixed throughout the life of the Contract.**

Compensation or reimbursement amount shall be calculated using the following formula as outlined in Section 1.3 (Reimbursements) of this Agreement. The reimbursement amount shall be adjusted monthly based on the AMM / Fastmarkets index pricing for the first business day of the month prior to that in which services were rendered.

Formula: Reimbursement Amount = Reimbursement Percentage (0.4529) × AMM price index for No. 2 bundles (Philadelphia) × 0.8928 × net tons of scrap collected per month.
