11. NOTICE TO ALL FAUQUIER COUNTY GOVERNMENT AND PUBLIC-SCHOOL USING DEPARTMENTS: This contract is the result of a competitive bid program and its use must follow the FCG&PS Procurement Policy/Procedures for the purchase of the commodity listed herein. Please see the reverse side of this notice for further instructions regarding this contract.

INSTRUCTIONS

1. Orders: All FCG&PS Using Departments must order services listed by issuing FCG&PS Purchase Orders per FCG&PS Procurement Procedures Manual. An exception to this shall be the use of the pre-approved utilities voucher by the Contract Administrator only. An extra copy of the Procedures Manual can be obtained by calling Procurement at (540) 422-8351 or 8352.
2. The applicable contract number, vendor number, estimated total dollar amount (can be done as a “Not to exceed” estimated figure), contact person with phone number, and billing/delivery address must be shown on each purchase order for Finance & Contractor use.
3. Inspection on delivery and approval of contractor’s invoice is the responsibility of the receiving using department.
4. Any complaint as to quality of goods or services, faulty or delinquent delivery, or violation of contract provisions by contractor shall be reported to FCG&PS Procurement for handling with the Contractor. All complaints must be submitted in writing and can be forwarded to Procurement via email, fax, or courier.
5. Renewals: As stated on the face of this notice, one (1) renewal remaining on this contract. A renewal notification, based on input requested from the using departments, will be issued approximately thirty to sixty days in advance of the expiration date of the current term.
6. Fuel Price: Total selling price is calculated using the base purchase price per gallon plus the firm, fixed net differential price. Base purchase price will fluctuate with the weekly posting of the Rack Average Category of the OPIS Average from the Fairfax, VA, Baltimore, MD, or the closest terminal with available product on the day of the delivery, as stated in the original bid document. Differential prices are as follows:

	Primary: Morgan Oil	Secondary: James River
Off-Road Diesel	\$0.1045/gallon + Rack Average Category of the OPIS Average	\$0.1120/gallon + Rack Average Category of the OPIS Average

7. Price Adjustments: Changes to the net differential price of the total selling price may be negotiated during the ninety (90) day period prior to the expiration date of each contract period. All price increases must be approved by the contract administrator. Contract users will be sent notification of contract change from the Procurement office as official notification of such changes, if approved.
8. Use of Contract by Other Political Jurisdictions: Per #40 of the General Terms, Conditions and Instructions to Bidders/Offerors of IFB #36-19tp, which became part of this contract. This contract may be extended, with the authorization of the Contractor, to other Public Bodies of the Commonwealth of Virginia and all currently active members of the Metropolitan-Washington Council of Governments (MWCOG) or, Mid-Atlantic Purchasing Team, to permit their ordering of supplies and/or services at the prices and terms of the resulting contract. If any other public body decides to use the final contract, the Contractor must deal directly with that public body concerning the placement or orders, issuance of the purchase order, contractual disputes, invoicing and payment. FCG&PS acts only as the “Contracting Agent” for these jurisdictions and political subdivisions.
