3.1.4 Yearbook Compilation and Construction

Customer Production Kits

Balfour provides at no cost a production kit including the following instruction materials for yearbook production.

Elementary yearbook kits include:

Process Guidebook, page planner, art book, sampler, promotions and merchandising catalogues, font and color posters, software guidebook and template catalogue, and submission envelopes. Merchandising materials such as posters, receipt books, sales stationary, fliers, collection envelopes, and stickers can also be ordered at no charge.

Middle School and High School kits and supplies include:

Ladder diagrams, software installation manual and guidebooks, template/module catalogues, font and color posters, receipt books, business contract ad forms, Fedex supplies, adviser guidebook, design guidebook, marketing workbook, merchandising catalogue and supply order forms. All other relevant supplies may be ordered and downloaded online through Studio.balfour customer resource center.

Both StudioWorks and BalfourTools users have access to over 300 fonts, 1000s of clipart, and hundreds of templates and modules. Both users have access to unlimited use of color choices outside of our standard color charts.

Balfour provides hundreds of professionally designed templates in both the online option as well as the InDesign plug-in.

Additionally, Balfour's simplyCreate exclusive design packages allow you to use professionally pre-designed templates as an easy layout option. Each design includes coordinated cover, endsheet, and theme pages. Art, modules and backgrounds, related to the theme design, may be applied to hundreds of templates to easily produce a cohesive overall look.

Creative art support is provided at no additional costs to schools for cover art and endsheet design services for the entire term of the contract.

StudioWorks users are able to generate their own high resolution proofs before publishing. BalfourTools users receive a full-size color proofs for each page. Or review your yearbook proofs online with Balfour's NetChek.

There is no charge for both Studiworks corrections and customer submitted InDesign pdf/source file corrections. Should the school require that corrections be made by Balfour plant staff, the charge is \$25.00 per proofing batch.

Balfour makes every effort to resolve and correct any defects before the end of the school year so that every child has their yearbook before leaving school.

3.1.8.1 Payment Plans

Deposits are not required; especially if school is using Balfour's online e-commerce marketing. If school would like to make a deposit, we suggest 30% of the total estimated price due with the first deadline, 45% of the total estimated price due at the final copy deadline. Schools will be asked to send full payment and/or remaining balance after yearbooks are delivered. Any funds collected through online sales are applied towards deposit payments.

Balfour offers several forms of payment including:

Option 1 – School collect payment from purchasers. Balfour invoices the school for the full contract amount due after yearbook delivery.

Option 2 – Balfour collects funds via balfour.com or direct mail service. Payment plans are accepted from purchasers online. Any net proceeds will be sent to the school in form of a check one final invoice is processed.

Option 3 – School may collect payment at school in addition to online/direct sales.
